- Gym Leader - Gym leaders set up and teach games to groups of kid and help make sure that they run smoothly and safely. They will also clean up equipment when games are done.
- Drama Team - The drama team will present a skit during the large group time that reinforces the life app for the month.
- Craft leaders - Craft leaders set up and teach a craft to groups of kids. They will also clean up supplies when the craft is done.

Sonic Sunday is the first Sunday of every month. Volunteers arrive 30 minutes before the service starts for training and prayer.
